

A New Birth is Here

HEDEN has **good news to share!**

The **Sweet Mother Program has reached Kaduna State!!!**

Kaduna state is crisis ridden in Northern part of Nigeria with terrorist attacks and internally displaced persons. Our Sweet Mother Program keeps expanding to reach more vulnerable mothers and their newborns. This expansion will bridge the gap in access to newborn and maternal healthcare by providing free micro-nutrients, birthing kits, child spacing methods, maternal and newborn health talks in Kaduna state currently Sweet Mother Program is in **5** community health centers and **3** communities.

HEDEN conducted a stakeholder meeting with community members in Gonigora our host community which was attended by Seriki's representative and other gatekeepers representing all social strata in the community. Our programs was referred to as Divine. Sweet Mother Program has held **8** talks with **170** mothers and **50** infants. distributed **130** Birthing kits since December 2020 till date.

It is all because of you! Your donation is impactful. Thank you.

In total Sweet Mother Program since the last report has reached **257** vulnerable pregnant women and nursing mother, **35** Birthing kits, **50** doses of Vitamin A, **120** doses

of multivitamin for pregnant women and **140** doses of Albendazole to children 1- 59 months, **108** condoms for child spacing were distributed.
