

Sweet Mother Program Activity Report 4

SWEET MOTHER

Sweet Mother Program is resilient. Through the past 17 years the program grew from 1 hospital to 11 health centers and over 80 Traditional Birth Attendants bring life-saving interventions to mothers and newborns.

In the past few months Sweet Mother Program reached over poor pregnant women and nursing mother, **35** Birthing kits, **172** doses of Vitamin A, **470** doses of multivitamin for pregnant women and **201** doses of Albendazole to children 1-59 months, **267** condoms for child spacing were distributed. The program is widely accepted by low-income mothers in hard to reach communities. We bring you stories from the field.

Your donations give assurance that more babies of low income mothers have safer deliveries and healthy birth weight as newborns. Your donation pay for transport to the hard-to-reach health centers to deliver free health products to mothers.

Our impact is because of your donations. **So it is your success story.** Did you know that;

- ✓ **All donations are welcome?**
- ✓ **Sweet Mother Program welcomes suggestions and referrals?**
- ✓ **You can visit us?**

It would be our pleasure. Kindly reply this email to reach us.

Are you wondering how to do more?

It is simple. You can do the following:

- ✚ Donate today at <http://goto.gg/41818>

- ✚ Download Sweet Mother App at <https://play.google.com/store/apps/details?id=com.heden.sweetmoher>

- ✚ Promote #SweetMotherApp on your social media

- ✚ Refer us to a donor
